

Living Space

LEVEL^{plus}

sideboard system

Mod. Levelplus 3M

Mod. Levelplus 2W

“Living room aspects and sound quality are combined in this sideboard system. Full tonality, tangible spatiality. Also recommended for high-end components.”

(STEREO, Germany)

Levelplus Experience Life through pure space

Es ist die Kraft der Vorstellung, die uns neue Wege zeigt.
Altes wird mit anderen Augen gesehen, um Neues zu schaffen.
Kraftvolles Design auf filigrane Art interpretiert, das ist die Basis für Levelplus – ein Sideboard System, das Ihren Gefühlen freien Raum lässt.

It is our power of imagination that lets us pursue new goals.
We see the old in a different light, to create something fresh and new.
Powerful design interpreted in a filigree way, this is the basis for Levelplus – a sideboard system allowing you freedom of expression.

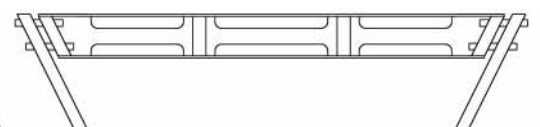

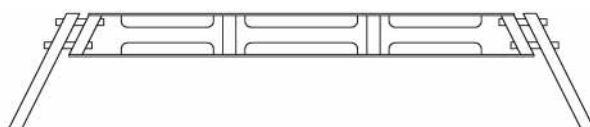

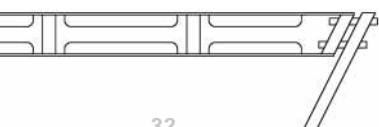

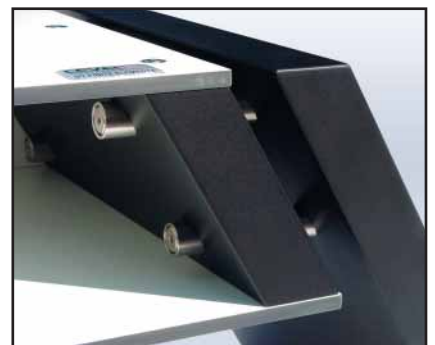

LEVELPLUS_Sideboard System

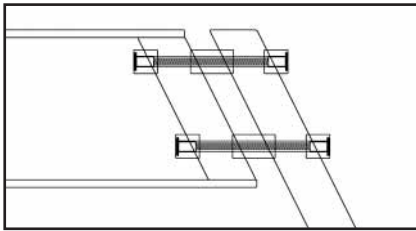

Raumdesign_Spacedesign

Raum und Flexibilität sind die charakteristischen Merkmale von Levelplus, individuell anpassbar an Ihr ganz persönliches Wohnambiente. Ob High-Fidelity oder Home-Entertainment, die flexible Architektur von Levelplus beweist eine perfekte Synthese in Form und Funktion.

Space and flexibility are the distinguishing features of Levelplus, individually adaptable to suit your own personal living environment. Whether for high-fidelity or home entertainment, the flexible architecture of Levelplus offers a perfect synthesis of form and function.

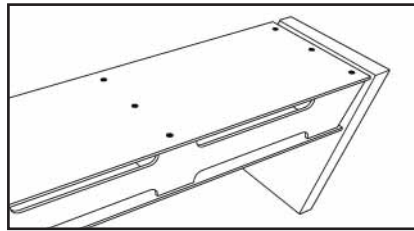

Detailpräzision

Solide Verschraubungen verbinden Fachböden und Holzteile. Eine eigens entwickelte Spanntechnik verbindet Seitenpaneele und Korpus zu einer robusten Einheit.

Precision in detail

Rigid screwed connections are used for shelves and wooden components. A specially designed tensioning system combines the side panels and the body to form a robust unit.

Materialqualität

Edle Materialien wie Fachböden aus HPL Solid-Kompaktlaminat, Holzteile aus MDF, Metallteile aus handpoliertem Edelstahl – ausgewählt unter funktionalen und akustischen Gesichtspunkten.

Material quality

High-class materials like HPL Solid compact laminate shelves, MDF wooden components and polished stainless steel parts – selected using both functional and acoustic aspects.

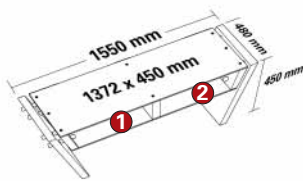

HPL Solid = High-Tech

HPL Solid Fachböden in Hochdrucklaminat, hergestellt aus mehreren Papierlagen, getränkt mit aushärtbaren Kunstharzen und unter Temperatur und hohem Druck laminiert, garantieren hohe Stabilität.

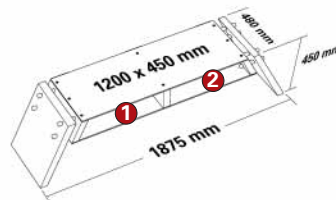

HPL Solid = High-Tech

HPL Solid shelves in high-pressure laminate, made from several paper layers, saturated with curable synthetic resins and high-pressure laminated at high temperatures, guarantee high stability.

Levelplus 2M

Levelplus 3W

Levelplus 3M

Levelplus 2W/2M (B x T x H):

- Fach ①: 500 x 430 x 150 mm
- Fach ②: 500 x 430 x 150 mm
- Belastbarkeit: 120 kg
- konfigurierbar als M- oder W-Version

Levelplus 2W/2M (W x D x H):

- Section ①: 500 x 430 x 150 mm
- Section ②: 500 x 430 x 150 mm
- Load capacity: 120 kg
- configurable as M- or W-type

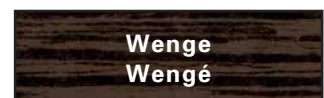

Levelplus 3W/3M (B x T x H):

- Fach ①: 450 x 430 x 150 mm
- Fach ②: 500 x 430 x 150 mm
- Fach ③: 450 x 430 x 150 mm
- Belastbarkeit: 120 kg
- konfigurierbar als M- oder W-Version

Levelplus 3W/3M (W x D x H):

- Section ①: 450 x 430 x 150 mm
- Section ②: 500 x 430 x 150 mm
- Section ③: 450 x 430 x 150 mm
- Load capacity: 120 kg
- configurable as M- or W-type

Lieferbare Dekore / available decors:

Alle Dekore in HPL-Ausführung (HPL = Hochdrucklaminat). Abweichungen zu den Originaldekoren können reproduktionstechnisch bedingt sein.
HPL is used for all decor finishes (HPL = high pressure laminate). The colours reproduced may differ from the original decors, which is due to the limitations of the reproduction process.
